Skyline Plaza (“Sony building”) situated at the Schipholweg 275 in Badhoevedorp has been sold

*publicatie datum:* Tue 12 Nov 2013

Foreign investors have bought the Sony building in Badhoevedorp. The building has a floor area of approx. 22,000 square meters which can be offered “Turn-key” to new users by the new owner and is situated directly next to the highway A9, A4 and A5 in the direct vicinity of Schiphol.

The total premises consists of 2 buildings (high- and low building) and is largely rented to several companies of which Sony is the biggest one. A part of the building, 12,000 square meters, is available for new tenants. This space can be delivered “Turn-key”. The buyer expects to fill this vacancy on short term. The zoning was determined to office and parking but recently it is also determined as hotel.

The purchase price is not public known.

The Buyer was advised by BNP Paribas Real Estate.
